(1) prior art cited in search reports of a foreign patent office in a counterpart application, and

(b) Under this section, information is material to patentability when it is not cumulative to information already of record or being made of record in the application, and

(2) It refutes, or is inconsistent with, a position the applicant takes in:

(i) Opposing an argument of unpatentability relied on by the Office, or

A prima facie case of unpatentability is established when the information compels a conclusion that a claim is unpatentable under the preponderance of evidence, burden-of-proof standard, giving each term in the claim its broadest reasonable construction consistent with the specification, and before any consideration is given to evidence which may be submitted in an attempt to establish a contrary conclusion of patentability.

(1) Each inventor named in the application;

(2) Each attorney or agent who prepares or prosecutes the application; and

(d) Individuals other than the attorney, agent or inventor may comply with this section by disclosing information to the attorney, agent, or inventor.
